Message from you local Inspector, Ed Brown

It's been a relatively incident free month in Holt and surrounding Parishes despite Halloween & Bonfire night celebrations and the Christmas Lights switch on in town. There have been incidents of damage to the public toilets but thankfully these have reduced in recent months. Hopefully you will have seen more police officers patrolling the town as part of a push to get our response teams more engaged in neighbourhood policing. The darker winter nights are well and truly here and I would take this opportunity to remind everyone of the importance of using lights on vehicles and cycles for safety purposes. It also makes it easier for thieves to poke about particularly in rural areas so make sure that valuable items are secured where possible as removing the opportunity for crime is the best way of preventing it. We are still on the lookout for more Special Constables to join us and will be running a local recruitment event in January. If you have a New Years Resolution to do something different then consider helping out your local community as a volunteer officer.

Every year burglary tends to increase during the autumn months as the afternoons get darker, making it easier to identify unoccupied homes which are often left unlit. You can help protect your home by following some basic crime prevention advice such as:

- Use timer switches on a lamp, radio or TV so they turn on as it gets dark in the afternoons.
- Make a habit of checking that ground floor windows and doors are closed and locked when you leave the house or go to bed. Upstairs windows should be closed and locked when the house is unoccupied.
- PVC doors should be locked by lifting the handle and turning the key to ensure all the security features are in place.
- Car and house keys should be kept out of sight in a safe place. Don't leave them on display on window sills, in porches, hallways or kitchens.
- Secure your rear garden by shutting and locking any gates. Burglars can use garden tools, like ladders to break in, please ensure you always lock away tools after use.
