Message from you local Inspector, Ed Brown

We were a little concerned about a small increase in rural crime in the parishes during November so redeployed resources to give a little more visibility during the winter months. This appears to have had the desired effect with no further acquisitive crime (theft) recorded during December so far. We are, however, maintaining this as a policing priority so don't be surprised to see more of us in your area over this period. Thieves had been targeting trailers and then using those trailers to transport away other items. If you see suspicious activity please do report it to us as soon as possible. On 21st November I hosted a meeting for Parish Councillors in Hindringham for all the parishes across my policing district. This afforded me the opportunity to speak directly to your local representatives providing an update on local policing but also gauging ideas to improve our service. It also gave our beat managers the opportunity to sit down with their parishes and try to problem solve issues and agree action points. We'll be doing this again in 6 months to compare notes on progress.

Message from your Engagement Officer, PC Pete Davison

The weather is now taking a turn for the worse and temperatures have really dropped off with some hard overnight frosts. Please stay safe on the roads and make sure your vehicles tyres, fluid levels, lights and batteries are checked and ready for the demands that this time of the year presents. Also, please allow a little extra time in the morning to make sure your windscreens are fully defrosted and clear prior to starting any journey and be prepared for ice on the roads. Please keep safe and remember not to leave any vehicle unattended while the engine is running.

I wish you all a safe and happy Christmas and best wishes for the New Year.

Pete.
